

COVID-19: Supports for Canadian Businesses

As the COVID-19 outbreak unfolds, we know these are challenging times for you and your business. BDC stands ready to support entrepreneurs like you through to a more stable period.

This compilation of federal and provincial government support measures for business focusses on:

- ① [Access to capital and other liquidity support measures](#)
- ② [Measures to avoid or minimize the impact from layoffs](#)
- ③ [Provincial / Territorial Measures](#)
- ④ [Resources and Additional Information](#)

BDC has also made available [free tools and tips](#) that can help you map out your next steps, identify new opportunities, mitigate risk and create resilience in your company, so you can emerge strong in recovery.

This information is up to date as of October 23, 2020 and is updated regularly. The programs and services described in this document may change at any time and without notice. For the most up to date information on these support measures, please regularly consult the referenced links as well as the additional web resources at the end of this document.

① Access to Capital and Other Liquidity Support Measures

Program	Description	Who is Eligible	Where to Apply / Get Up to Date Information
Access to Capital			
Canada Emergency Business Account	The Canada Emergency Business Account (CEBA) provides interest-free, partially forgivable loans of up to \$60,000 to small businesses and not-for-profits, to help cover their operating costs during a period where their revenues have been temporarily reduced. This program has been implemented by banks and credit unions in collaboration with Export Development Canada. Part of the loan, up to \$20,000 will be forgiven if the balance of the loan is paid off by December 31, 2022. The application deadline is December 31, 2020	Small businesses with a 2019 payroll of between \$20,000 and \$1.5 million. Businesses with less than \$20,000 in payroll, including owner-operators, sole proprietors and family-owned corporations may also qualify based on their tax filings and non-deferrable expenses.	Contact your primary financial institution to apply. For more information: https://ceba-cuec.ca/
BDC Co-Lending Program	Between \$1 million and \$12.5 million for operational cash flow requirements, co-financed by BDC and your primary financial institution. Available until June 2021.	All businesses that have been impacted by COVID-19. Subject to your primary financial institution's credit criteria.	Contact your primary financial institution to apply. For more information: https://www.bdc.ca/en/pages/co-lending-program.aspx
EDC Business Credit Availability Program (BCAP) Guarantee	This Guarantee is for new operating lines of credit or new term loans to support cash flow needs during the pandemic. EDC will guarantee 80% on the money you borrow, up to a total loan of \$6.25 million. EDC fees related to the guarantee will be deferred for the first six months. Available until June 2021.	All businesses that have been impacted by COVID-19, including non-exporting businesses that sell domestically. Subject to your primary financial institution's credit criteria.	Talk to your financial institution account manager for more information on whether the EDC BCAP Guarantee is a good fit for your cash flow needs. For more information: https://www.edc.ca/en/solutions/working-capital/bcap-guarantee.html
BDC Mid-Market Financing Program	Junior loans ranging between \$12.5 million and \$60 million for medium-sized businesses particularly impacted by the COVID-19 pandemic and/or the recent decline in oil and gas prices. This program is meant to cover operational liquidity needs and business continuity activities and is provided jointly with BDC and your primary financial institution. (Mid-Market and Oil & Gas Financing Programs are merged to facilitate coordination and the processing of loan requests.) Available until June 2021.	Businesses with annual revenues of about \$100 million to \$500 million, from any sector or industry, that were impacted directly or indirectly by COVID-19 and/or the recent decline in oil and gas prices.	Contact your primary financial institution to apply. For more information: https://www.bdc.ca/en/pages/mid-market-financing-program.aspx
EDC: Increasing financial capacity to support Canadian oil and gas companies	EDC will increase its financial capacity over 12 months to support Canada's oil and gas sector. This business support will be provided through EDC's lending, bonding and accounts receivable insurance products. For those wishing to access support, they are encouraged to reach out to their financial institution. Available until June 2021.	Firms in Canada's oil and gas sector	https://www.edc.ca/en/about-us/newsroom/covid-19-oil-gas-support.html

① Access to Capital and Other Liquidity Support Measures (cont.)

Program	Description	Who is Eligible	Where to Apply / Get Up to Date Information
BDC Working Capital Loan	Working capital loans of up to \$2M with flexible repayment terms such as principal postponements for qualifying businesses and reduced rates on new eligible loans.	Businesses of varying sizes	https://www.bdc.ca/en/financing/business-loans/working-capital-financing/pages/working-capital-loan.aspx
Farm Credit Canada Increased Credit Available for Agriculture, Fisheries and Aquaculture	Additional \$5 billion in lending capacity, offering increased flexibility to farmers and food producers who face cash flow issues and to processors who are impacted by lost sales. Farm Credit Canada has also put in place a deferral of principal and interest payments up to 6 months or a deferral of principal payments up to 12 months for existing loans as well as access to an additional credit line of up to \$500,000, secured by general security agreements or universal movable hypothec (Québec only)	Food producers, agribusinesses, and food processors	FCC Term Loans : https://www.fcc-fac.ca/en/covid-19/program-details.html
Farm Credit Canada Term Loans	Term loans of up to \$2.5M, with no fees and an 12-month interest-only option available over a 10-year amortization. These funds can be used for working capital and to modify production due to the impacts of COVID-19.	Food producers, agribusinesses, and food processors	https://www.fcc-fac.ca/en/covid-19/program-details.html Contact your local FCC office or the Customer Service Centre at 1-888-332-3301
Support for Indigenous Businesses	The Government of Canada is providing \$306.8 million to Aboriginal Financial Institutions and Métis Capital Corporations to provide interest-free loans and non-repayable contributions to help small and medium-sized Indigenous businesses unable to access the government's existing COVID-19 support measures	Indigenous-owned businesses	https://pm.gc.ca/en/news/news-releases/2020/04/18/prime-minister-announces-support-indigenous-businesses https://nacca.ca/covid-19/
Futurpreneur Canada	The Government of Canada is injecting \$20.1 million through Futurpreneur Canada to support ongoing lending to young entrepreneurs.	Entrepreneurs aged 18-39	https://www.futurpreneur.ca/en/press-media/statement-futurpreneur-applauds-the-government-of-canadas-support-of-young-business-owners-impacted-by-covid-19/

① Access to Capital and Other Liquidity Support Measures (cont.)

Program	Description	Who is Eligible	Where to Apply / Get Up to Date Information
Regional Development Agencies - Regional Relief and Recovery Fund (RRRF)	Repayable, conditionally repayable and non-repayable contributions of various sizes from regional development agencies, based on local needs. Available until March 31, 2021 or until funding is exhausted.	Companies that are ineligible or need additional support than other federal support programs. Specific eligibility criteria varies by region.	Atlantic Canada: https://www.canada.ca/en/atlantic-canada-opportunities/campaigns/covid19/rrrf.html Quebec: https://dec.canada.ca/eng/programs/regi/coronavirus-rrrf/index.html Southern Ontario: http://www.feddevontario.gc.ca/eic/site/723.nsf/eng/h_02581.html?OpenDocument Northern Ontario: http://fednor.gc.ca/eic/site/fednor-fednor.nsf/eng/h_fn04591.html Prairies and British Columbia: https://www.wd-deo.gc.ca/eng/20059.asp Territories: Contact your CanNor Office
Community Futures Development Corporations - RRRF	Loans of up to \$40,000, with 25% forgivable if paid back by December 31, 2022. Available until March 31, 2021 or until funding is exhausted.	Companies who are not able to access the Canada Emergency Business Account.	Contact your local Community Futures Development Corporation: https://communityfuturescanada.ca/
Large Employer Emergency Financing Facility (LEEFF)	LEEFF is a program instituted by the Government of Canada to provide short-term liquidity assistance in the form of interest-bearing term loans to large Canadian employers who have been affected by the COVID-19 outbreak. The intent of LEEFF is to provide bridge financing to large Canadian employers to help these enterprises to preserve their employment, operations and investment activities until they can access more traditional market financing.	Large Canadian employers who have a significant impact on Canada's economy, can generally demonstrate approximately \$300 million or more in annual revenues, and require a minimum loan size of \$60 million.	https://www.cdev.gc.ca/leeff-factsheet/
Canada Emergency Rent Subsidy (CERS)	Rent and mortgage support of up to 65% of eligible expenses for businesses that have suffered a revenue drop. The rent subsidy would be provided directly to tenants, while also providing support to property owners. A top-up of 25% would apply to organizations temporarily shut down by a mandatory public health order issued by a qualifying public health authority, in addition to the 65% subsidy. The program would apply retroactively from September 27, 2020 and would extend until June 2021.	Businesses that have suffered a revenue drop.	https://www.canada.ca/en/department-finance/news/2020/10/government-announces-new-targeted-support-to-help-businesses-through-pandemic.html

② Avoiding or Minimizing the Impact from Layoffs

Program	Description	Who is Eligible	Where to Apply / Get Up to Date Information
Canada Emergency Wage Subsidy	Wage subsidy of up to 75% for qualifying businesses between March 15 and June 2021. An additional 25% top-up subsidy will be provided for employers that have been the most adversely affected by the pandemic. Visit the program website for the most up to date information on subsidy amounts and qualifying criteria.	Businesses experiencing loss of revenue	https://www.canada.ca/en/revenue-agency/services/subsidy/emergency-wage-subsidy.html
10% Temporary Wage Subsidy	10% Temporary Wage Subsidy, which covers employee wages up to a maximum of \$1,375 per employee and up to \$25,000 per employer, for wages paid between March 18 and June 19, 2020. Employers can claim this subsidy immediately by withholding a portion of payroll tax remittances and may use the program retroactively.	All legal small and medium-sized enterprises	https://www.canada.ca/en/revenue-agency/campaigns/covid-19-update/frequently-asked-questions-wage-subsidy-small-businesses.html
Work-Sharing Program	Employment Insurance wage top-off to eligible employees who have agreed to reduce their normal working hours and share the available work while their employer recovers.	Year-round businesses that have been in business in Canada for at least one year.	https://www.canada.ca/en/employment-social-development/services/work-sharing.html
Temporary Employment Insurance (EI) Changes	Temporary changes to EI that (1) reduce the required insured hours to 120 for regular, sickness, maternity, parental and caregiving benefits, (2) set the minimum benefit to \$500 per week before taxes, or \$300 per week for extended parental benefits and (3) set the minimum unemployment rate at 13.1% in all regions across Canada. The 52-week period to accumulate hours is also extended for those who collected the Canada Emergency Response Benefit (CERB) and a medical certificate is not required for EI claims. These changes will be in effect until September 26, 2021.	Workers who are unemployed.	https://www.canada.ca/en/services/benefits/ei.html
Canada Recovery Benefit (CRB)	Income support of \$500 per week for those who are not entitled to Employment Insurance (EI) benefits. May be claimed for a maximum of 26 weeks between September 27, 2020 and September 25, 2021.	Employed and self-employed individuals who are directly affected by COVID-19 and are not entitled to EI benefits.	https://www.canada.ca/en/revenue-agency/services/benefits/recovery-benefit.html

② Avoiding or Minimizing the Impact from Layoffs (cont.)

Program	Description	Who is Eligible	Where to Apply / Get Up to Date Information
Canada Recovery Caregiving Benefit (CRCB)	Income support of \$500 per week to employed and self-employed individuals who are unable to work because they must care for their child under 12 years old or a family member who needs supervised care. This applies if their school, regular program or facility is closed or unavailable to them due to COVID-19, or because they're sick, self-isolating, or at risk of serious health complications due to COVID-19. May be claimed for a maximum of 26 weeks between September 27, 2020 and September 25, 2021.	Employed and self-employed individuals who are unable to work because they must care for their child under 12 years old or a family member who needs supervised care.	https://www.canada.ca/en/revenue-agency/services/benefits/recovery-caregiving-benefit.html
Canada Recovery Sickness Benefit (CRSB)	Income support of \$500 per week to employed and self-employed individuals who are unable to work because they're sick or need to self-isolate due to COVID-19, or have an underlying health condition that puts them at greater risk of getting COVID-19. May be claimed for a maximum of 2 weeks between September 27, 2020 and September 25, 2021.	Employed and self-employed individuals who are unable to work because they're sick or need to self-isolate due to COVID-19, or have an underlying health condition that puts them at greater risk of getting COVID-19.	https://www.canada.ca/en/revenue-agency/services/benefits/recovery-sickness-benefit.html
Canada Summer Jobs	The Government of Canada is extending the Canada Summer Jobs wage subsidy to 100% of the provincial or territorial minimum wage for 2020, extending the end date of employment to February 28, 2021, allowing employers to adapt their projects and job activities to support essential services, and allowing employers to hire staff on a part-time basis.	Businesses participating in Canada Summer Jobs 2020.	https://www.canada.ca/en/employment-social-development/services/funding/canada-summer-jobs/temporary-flexibility.html
Extension to time periods given to employers to recall employees laid off due to the COVID-19 pandemic.	The period before a temporary lay-off becomes a termination has been extended by six months, or until December 30, 2020.	This change applies to employees who are not covered by a collective agreement that contains recall rights.	https://www.canada.ca/en/employment-social-development/news/2020/06/the-government-of-canada-temporarily-extends-time-periods-given-to-employers-to-recall-employees-laid-off-due-to-the-covid-19-pandemic.html
